Hi Donna and Steve:

This is a summons that does NOT ask for investigation or personnel records. It just asks for routine drug lab testing and chain of custody documents.

Now that the drug lab is operated by EOPS, should I pass this along to Mike Halpin? Should I pass this along to the supervisor of the drug lab? or should I tell the attorney that DPH is no longer in charge of the drug lab, and that he should send the summons to the drug lab supervisor or the new drug lab director?

Thanks,  
Linda
